Please complete and return the enclosed application and stress test. Ask your physician to complete, sign and return the Physician's Statement to our office. **The forms must be completed thoroughly to be approved.** Once your application, physician's statement and stress test have been received, I will contact you regarding the status of your application.

***There may be a waiting list depending on the number of families enrolled and the funds available through this program.***

The Caregiver Time Out Program offers care consultation and information about respite services, community resources, and programs offered through the Georgia Chapter. Please call if we can be of assistance.
