## Parkinson's Disease Caregiver Time Out Program

If you care for someone with dementia related to Parkinson's disease, the Caregiver Time Out program can help.

The Caregiver Time Out program reimburses caregivers of persons with dementia related to Parkinson's disease for respite services (in-home, adult day or overnight care) up to \$1200 per year.

**Please contact Suzette Binford at (404) 728-1181 for more information.**

the compassion to care, the leadership to conquer
