*"Driving Parkinson's Away"  
American Parkinson Disease Association  
Georgia Chapter*

**MARCH 15, 2010**

Smoke Rise Country Club  
4900 Chedworth Drive  
Stone Mountain, GA

Enjoy a round of golf and support Parkinson's disease research, public awareness and the Respite Programs provided by the Georgia Chapter – APDA. Prizes awarded to 1st and 2nd place teams based on GROSS team scores and 1st and 2nd place teams based on NET team scores. Contests include Closest to the Pin, Longest Drive, and a chance at a Hole-in-One prize. Don't forget the Putting Contest! All winners will be announced at the Awards Dinner immediately following play.

Parkinson's disease (PD) is a chronic, degenerative neurological disorder characterized by symptoms that typically progress from mild tremors to complete physical incapacitation. PD is generally thought of as a disease of the "old" generation with the average onset at age 60. However, young onset at early ages of 30 or younger is estimated to be 5-10% of the 5 MILLION people worldwide with PD. One new case is diagnosed every nine minutes. There is no known cure for Parkinson's disease. Currently available treatments temporarily mask symptoms while the disease continues to get worse.

APDA is a 501 © 3 corporation (tax ID 13-1962771). Approximately 80 cents of every dollar received goes toward research and service/programs at the local and national level.
